

*a picture of health™*

**dokit™**

- **dokit™** is a system consisting of a portable wall unit that houses support materials as well as a stainless steel platform designed to display magnetic pictograms.
- The system facilitates the display of multiple pictograms simultaneously beside each and every bed.
- **dokit™** can be designed to display any MediSign platform - four, six or nine position.
- A binder is provided with each system which houses and catalogues the pictograms not currently in use.
- In addition to the TLR® Logos we have an extensive library to choose from to assist health care staff in their communication efforts with each other, clients, volunteers, families and visitors.
- The platform can be custom engraved with any logo, company, organization or family name of sponsors providing this system to your facility.
- The **dokit™** Document Holder and its components are manufactured from recycled materials.
- We're a licensed distributor of SAHO's TLR® Logos.

*The system consists of:*

dok-01-01 **dokit™** Wall Mount  
 dok-02-01 **dokit™** Document Holder  
 MS-06-01 Platform - 6 position

*plus your choice of pictograms  
 engraving extra*
